GO THINK RENEW CONNECT

T H E M A G I C O F C A M E L O T

Hosting a meeting outside of the office offers so many benefits for both the employer and the employees.

There are fewer distractions and it encourages people to share more and connect. It is great for morale, to spark creativity, and allows for positive interaction and socialization.

Getting away and getting outside is healthy and battles work fatigue!

MEETING SPACE

Our facility on 33 acres situated on Lake Wylie, provides the perfect space for events of all types, including:

Award ceremonies
Banquets
Corporate meetings/events
Training
Retreats
Group outings
Holiday/special occasion parties
And more!

We are conveniently located 22 minutes from the Charlotte Douglas airport and about 25 minutes from Downtown Charlotte. Numerous hotels and airbnb's are within 15 minutes or less of our facility. As an oasis in the middle of Belmont, NC, our property offers wide open spaces, and is also home to horses, goats, honey bees, and a magical bamboo forest.

Our rustic, yet elegant barn offers 7000+ square feet of temperature controlled space, and can accommodate up to 225 seated guests, plus additional guests in the surrounding areas. The barn features a covered patio area with glass garage doors into the venue, a catering prep kitchen, two bars, two suites, spacious restroom facilities, a putting green, and a private fishing dock. We also offer optional on-site overnight accommodations.
